## Four suspects arrested in Coffee County on theft of Industrial HEMP

Coffee County Sheriff's Department investigators recently worked with the Opp Police Department on a theft of property case involving Industrial HEMP.

Industrial HEMP is described as being from the plant species *cannabis sativa* and has been used worldwide to produce a variety of industrial and consumer products. In the United States production is controlled under drug enforcement laws, and to produce HEMP in the United States the grower must obtain a permit from the Drug Enforcement Agency (DEA).

Research shows the con-

fusion between Industrial HEMP and marijuana is based on visual similarities of widely differentiated varieties of plants. Industrial HEMP is high in fiber and low in active tetrahydrocannabinol (THC), the psychoactive ingredient in marijuana.

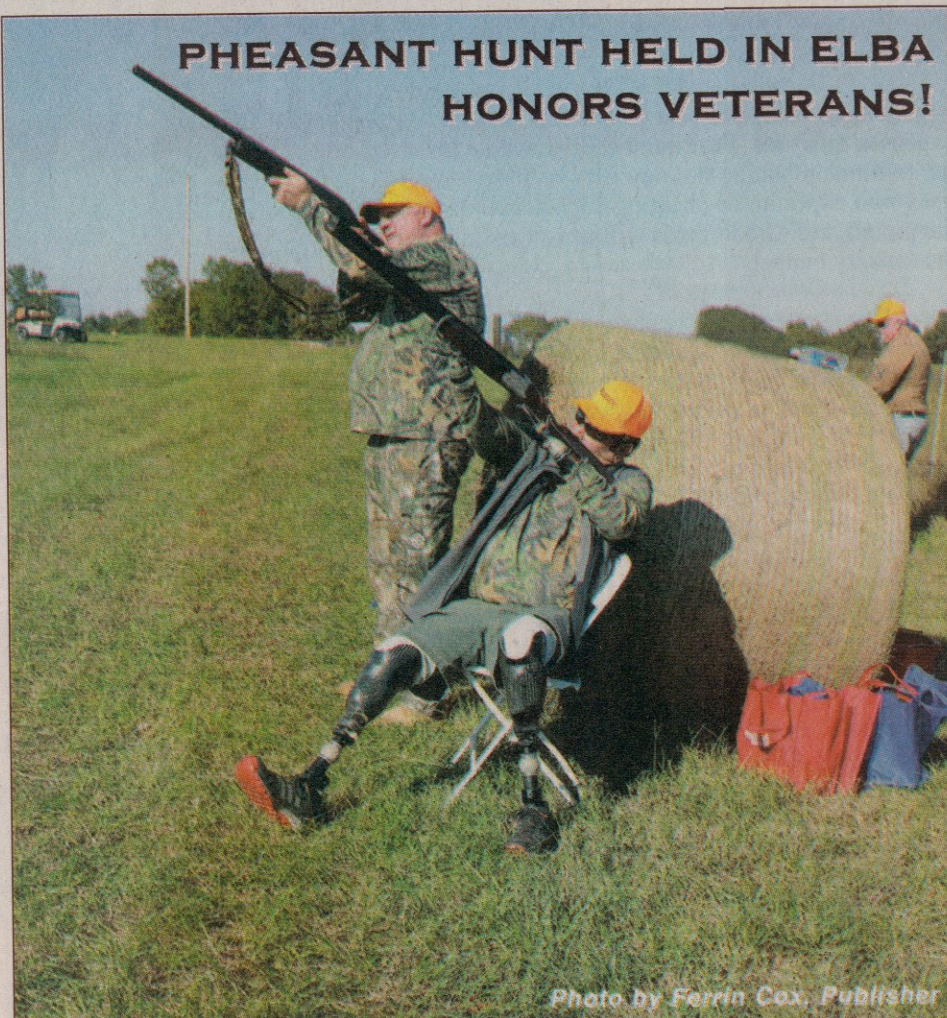

Many believe the visual similarity in the two products is creating an increase in hemp thefts, despite the ingredient differences.

The alleged stolen Industrial HEMP in the case worked recently by Coffee County and Opp law enforcement was taken from a rural area of Coffee County, according to information re-

leased by the Coffee County Sheriff's Office last week.

Four people were arrested on a first-degree theft of property charge each in this case. Those arrested were Zachary Douglas, Jacob Blue, Kenneth James Wambles and David Wayne Hutchison. All were charged with the theft and booked into the Coffee County Jail with a \$7,500 bond each on the theft of property charge.

Coffee County Sheriff Dave Sutton said in the county's press release that additional investigations into Industrial HEMP thefts are ongoing at this time. He said further arrests are anticipated.

## Shiloh Kennels & Shooting Preserve hosts 7th Annual Veterans Appreciation Pheasant Shoot

by Linda Hodge, Editor

The Shiloh Kennels and Shooting Preserve, located at 13822 Highway 84, Elba, hosted its 7th annual Veterans Appreciation Pheasant Shoot on Saturday, Nov. 9, and a large crowd was in attendance for this growing event honoring all veterans.

A special emphasis is placed on this Veterans appreciation shoot by making it open to wounded warriors giving them a chance to enjoy the sport in a controlled, safe environment.

"We owe a huge thanks to all who came out and supported the appreciation hunt for our veterans," said Clint Bradshaw, one of the event organizers. "We had a great turnout and awesome weather for our veterans."

Bradshaw said the goal is

to raise monies with the Veterans appreciation hunt to support local veterans and fund the event.

"We support the Wiregrass Wounded Veterans Committee as it seeks to enrich the lives of America's veterans," Bradshaw said. "This event is an awesome way for those of us involved with Shiloh Kennels and Shooting Preserve to say thank you to our local veterans for their service and sacrifice to our country."

The event included a steak lunch for all participants followed by the pheasant hunt. It is provided to the veteran participants at no charge.

Bradshaw said sponsors paired with veterans to form teams for the hunt while their family members were able to observe the hunt from a designated viewing area.

"The event is a great time for not only the veteran participants, but also for those of us who host the hunt," Bradshaw said. "We look at it as our way of giving back to these service folks who have already given so much of themselves, and we look forward to this great day every year!"

Hunt sponsors for this year's veterans event were: Sam Boswell Honda, Ben E Keith Foods-Southeast,

Badcock Home Furniture and More of Elba, ACV Auctions, Alabama Ag Credit of Enterprise, Bradshaw Pest Control, Citizens Bank of Enterprise, Covington Electric Cooperative, Joker Grafix, Momar [Richard Davis], Navigator International LLC, Oldham Chemicals Company, Searcy Funeral Home & Crematory, Souders Underwriting Group, and Southern Bone and Joint.

The Shiloh Kennels and Shooting Preserve will be hosting another huge event this upcoming weekend when it hosts the Foggy Bottom Classic, a UFTA [United Field Trialers Association] sanctioned event. This event will be Nov. 23rd and Nov. 24th in Elba.

Bradshaw said Shiloh Kennels and Shooting Preserve is really excited to host the Foggy Bottom Classic, and it will bring bird dog enthusiasts from all over the nation to Elba and Coffee County for the weekend.

In February, Shiloh Kennels and Shooting Preserve will host a public pheasant hunt on the 15th of that month.

For more information about Shiloh Kennels and Shooting Preserve or any of its event, call Bradshaw at (334) 726-4361.

During Elba City Council meeting held Nov. 14th

## Assistant city clerk says new garbage truck hopefully to be in Elba by mid-December

by Linda Hodge, Editor

The Elba City Council met Thursday night, Nov. 14, for its regular meeting, which had been postponed from Monday, Nov. 11, due to the Veterans Day holiday. Mayor Pro Tem Jane Brunson presided over the meeting in the absence of Mayor Mickey Murdock.

Elba Police Chief Leslie Hussey was unable to be at the Thursday night meeting, therefore, his second-in-command Lt. Russ Young provided an update to the council from the police department.

Young said it had pretty much been routine business for the department the past few weeks and that no major cases had come up. He did note the new CAD [Computer Aided Dispatch] System for the department should be at least partially installed before the end of November.

Council member Rolanda Jones asked Young about the staff for the department, wondering where it was with working to be fully staffed.

Young said the department would be sending two persons to the police

academy this month, and with them, there would be 14 police officers staffed along with eight full-time dispatchers and one part-time dispatcher. He said that would basically get the department staffed with as many persons as allowed by the city.

Another question from the council was how long the officers are committed to the department when Elba pays for them to go to the police academy, and Young said they are required to stay with Elba for at least two years. He said if they leave prior to the two years being fulfilled, the agency the officer leaves to go to has to repay Elba for the costs of the academy.

Young did add to his report that the department had been working to assist a homeless person whom had asked for help finding shelter. He said the person actually asked to go to jail to get shelter thinking he had outstanding warrants for his arrest pending. However, he did not have any warrants.

Young said the department had contacted Minister Philip Box with the Elba Ministerial Alliance in

hopes of helping this person get the shelter he was seeking to get out of the cold weather.

Assistant City Clerk Pat Boothe said the new garbage truck for the City of Elba should arrive for use within the next 3-4 weeks, hopefully by mid-December. She said officials were excited to receive this news as the current garbage truck had been experiencing more and more trouble recently.

Boothe reported that Elba Library director Jennifer Amlong was excited with the recent "Haunted Library" event held in conjunction with Pumpkins on the Square. She said Amlong estimated about 300 people came through the Haunted Library on Halloween night, which was a great turnout for a first-time event.

Boothe said everyone was really pleased with how the event turned out, and Amlong already was receiving requests from people to be involved with next year's Haunted Library event for Halloween.

Man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.” – Martin Luther King

A turntable for LP records . . . there was one advertised somewhere last week that almost inspired us to purchase it. We have a fairly large collection of the oldies and wou oldies and would like to hear them again. The same report listed some very valuable old LP’s but alas we had never heard of most of those artists. Well, except for Elvis and the Beetles, but we don’t have a single one in that ‘valu-able’ category. Ours are just good, soft listening music after a long day at work.

American to charge almost \$90 billion on holiday travel expenses this year. That number is based on a survey of the millions planning holiday trips and breaking out the ones who expect to be charging the actual travel expense, the motels, etc. Credit cards will weigh awfully heavy on the January budgets.

Recycling is one of our “believe in” projects. Not so with the majority of Elba, Alabama and United States folks. Well here is an incentive to some of those who are ‘too busy’, ‘mine will not matter anyway’, etc. folks. President Trump was pumping recycling of waste materials last week, so our die-hard Trump fans can follow the Pres-ident’s example and begin recycling your ‘little bit’ of waste. Collectively all our waste materials would make quite a pile. If every American recycled just one-tenth of their newspapers, approximately 25,000,000 trees a year would be saved. Then there is the aluminum cans and those tons of plastic water bottles floating in the oceans or piling up in landfills.

One proposal by Presidential candidate Bernie Sanders is to nationalize all the power generating plants in America. Well we don’t like ‘more government’ and are not im-pressed with the dismal results when big government tries to run anything. Sanders makes no secret about his social-ists’ ideas and that is OK to a point. However, we like the ‘American Way’ . . . with all its warts and thorns. It is not perfect and probably never will be, but it beats anything else we have witnessed or read about.

Medieval football - the idea of “get this ball to this goal and this is fun” started around the eighth century, well over a thousand years ago. Early mob football rules reportedly included only two rules: no murder, and no manslaughter. When you compare that with our helmet swinging pro player’s exhibition last week, his shocking actions were mild relative to the first football games.

The Poarch Band of Creek Indians have rolled out a plan to pay the State of Alabama as much as \$1 billion in reve-nue for the exclusive rights to operate casinos in Alabama. These folks are good for Alabama, but we don’t want our brother or anyone else having ‘exclusive’ rights. Our coun-try operates on an economic system that thrives on com-petition and exclusive rights invite so many negatives that we just shudder at the thought. It is like selling your birth-right.

Monday morning we read that a group of Republicans in the U. S. House of Representative who are avid Trump supporters were now saying he did nothing wrong in the Ukraine issue because the investigation of his political ri-val never came to fruition. Does this mean that terrorists who are arrested BEFORE they blow up a building or shoot up a gathering of innocent citizens can’t be charged with a crime because they didn’t get a chance to carry out their act of terror??? Maybe we missed something in that Washington idea but to us that is such a lame response. It makes us wonder if they are in panic mode because they think the tide is turning south on the President.

Rep. Martha Roby honors Alabama's 200th year of statehood with resolution

WASHINGTON, D.C. – U.S. Representative Martha Roby (R-AL) this week spoke on the House Floor highlighting the introduction of legislation that honors the bicentennial anniversary of Alabama’s statehood.

Representatives Robert Aderholt (R-AL), Mike

Rogers (R-AL), Mo Brooks (R-AL), Terri Sewell (D-AL), Bradley Byrne (R-AL), and Gary Palmer (R-AL) joined Representative Roby in the endeavor to commemorate this important milestone in Alabama history.

“I am proud to lead the efforts alongside my

colleagues in recognizing this exciting time for the state of Alabama,” Representative Roby said. “It is my greatest honor to serve the people of Alabama’s Second Congressional District, and I am especially privileged to do so during this memorable time in our state’s history. I look forward to joining all Alabamians in a year full of celebration and commemoration of our beloved state.”

H. Res. 711 recognizes the incorporation of Alabama as the 22nd state of the Union on December 14, 1819. The resolution honors the 200th anniversary on December 14, 2019 and commemorates the achievements of the great state of Alabama.

“This is a monumental occasion in our state’s history, and we are looking forward to joining Alabamians in a year full of

memorable celebration and commemoration of the bicentennial,” Roby said. “It is my greatest honor to represent and serve the people of Alabama’s Second Congressional District, which includes Montgomery, our state’s capital city.

Robu added that Alabama is currently experiencing extreme economic development and job growth across the state, which makes this special time even more exciting for all.

**WITH FRIENDS LIKE THAT...**Following the Alabama vs LSU football game a few weeks ago, one of Elba Mayor Mickey Murdock’s “friends” dressed up his tiger that sits atop his desk in the mayor’s office at Elba City Hall. The mayor is an avid Alabama fan, and the joker thought they would rag Murdock a bit with this decorative surprise. Now, the really funny part of this story is that the joker is not the one many would first place the blame...but, that person found it funny enough to contact the Clipper!

**Why Have a Public Viewing?**

Though public viewings are far from uncommon, they are also far from required. Family members of a recently deceased loved one may elect to keep the casket closed and limit the grieving process to an intimate, private interment service—all of which is perfectly fine.

But why have public viewings been around for so long—and why do they remain so popular throughout different religious and cultural contexts? Certainly, you wouldn't want to have a public viewing in certain instances, like when the body of the deceased has experienced trauma, but in other instances a public viewing can help facilitate the grieving process.

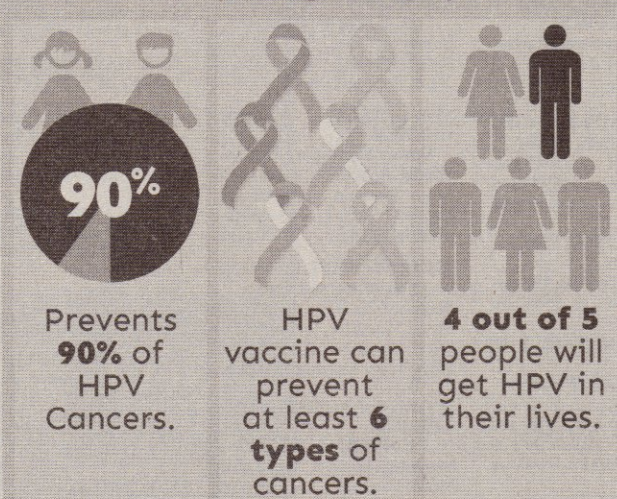

Of course, the primary impact of the public viewing is visual. It affords friends and family members the opportunity to see the deceased, just one final time. This can provide a greater sense of closure. It also helps mourners reach a level of acceptance, making it clear the deceased is really, finally gone.

Children can especially benefit from public viewings. Kids who have never had to deal with loss, or to really learn about the concept of death, may have a difficult time fathoming the weight and finality of the situation. Sometimes, a public viewing can provide an opportunity for parents or grandparents to speak with them about such matters.

Additionally, some family members or loved ones may not have seen the deceased in quite some time. For them, a public viewing can be especially profound—a chance to say one last goodbye, and a chance they may not get otherwise.

## Pastor's Corner

BY DWIGHT JOHNSON, PASTOR  
ELBA FIRST ASSEMBLY OF GOD

Have you ever had a Thanksgiving that just didn't seem right? When you really tried to be thankful, but something was missing? Perhaps a place around your table was empty, due to a loved one who couldn't come, or had even passed away. Maybe sickness or a financial situation had you looking a little harder for things to be thankful for.

A few years back, our younger daughter and family were living in a West African country during Thanksgiving. Determined to keep our granddaughter familiar with American traditions and customs, mom and dad decided to have a traditional American Thanksgiving meal. Easier said than done, they discovered! Many of the needed foods and ingredients could not be found at the market, which was an outdoor area where vendors sold their wares. Our daughter finally compromised with ingredients that she hoped would work as substitutes. Then...the turkey. Turkeys couldn't be found. A "butcher" (actually, a guy who was selling meat outdoors) said "I'll get you one." When our daughter returned, the butcher had...something. It didn't look like a turkey, or anything else she could think of. Nevertheless, she took it home, did the best she could with it and the other food. Things were very different: the food was different, the culture was different; they were thousands of miles from family and home. Yet, they knew: Thanksgiving is a matter of focus. Their blessings still far outweighed their needs. They had much to be thankful for.

Where is your focus this Thanksgiving? Even if you are in a new, unfamiliar place in life, remember that God loves you, he has been good to you, he has blessed you, and he has given you abundant reasons to be thankful. When we stop and count our blessings, we will truly be thankful for all he has done.

## \*\* Looking Backward

Faithful discipleship means never looking over your shoulder to see who might be gaining on you. When we try to cut corners, personally and spiritually, we have this sense that the next phone call will reveal our foible. So we live always looking over our shoulder and covering our tracks. A much simpler way to live is faithfully.

All kinds of things can happen if you are moving forward while looking backward. You have had the experience merging on an interstate and having the car

merging in front of you stop, haven't you? Or, you run over someone in the hall because you were looking backward toward someone. Sin causes us to look backwards. We can't walk faithfully looking behind us. It is too easy to stumble that way. If we are looking to God confirming our call and election, we keep our eyes on our spiritual goal. When we walk in that attitude there will be no stumbling.

## Question / Answer Session Q/A for the Week of 11/21/19

Q: To what does James compare the tongue?

A: James compares the tongue to the very small rudder of a ship, which allows the pilot to direct the ship. [read James 3: 4]

Q: What bring joy to a man?

A: To make an apt answer is a joy to anyone. [read Proverbs 15: 23]

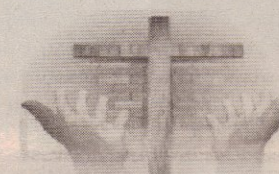

## Saying that makes sense

Love \_\_\_\_\_ trumps evil  
No good deed goes unpunished

## Question for the Week of 11/28/19

Q: Why should you not make friends with those given to anger or associate with hotheads?

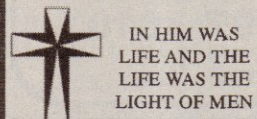

Today is a good day! Be grateful.  
Eria's Daughter, Sue

**Our little grandson Lawson is really looking forward to** a couple of days off for the Thanksgiving holidays and said it will give him time to help his Nanny decorate for Christmas. I'll admit the house looks great when they get finished decorating, but I do my best to stay out of the way.

**For what it is worth....**

\*\*\* **The Elba Tigers saw their season** come to an abrupt end last week in the second round of the 1A football playoffs with a disappointing 44-6 loss to Lanett, on a cold and wet night in East Alabama. The Tigers never got on track on offense as they lost fumbles on six straight possessions to help Lanett take command, while the defense never quit and battled until the final horn, but was over-matched by its talented opponents.

**I was proud of the Elba fans** that made the long trip in the rain and cold to support the Tigers and am convinced we had more fans at the game than did Lanett. The fans stuck it out until late in the game and were very vocal in their support, which is what helps make Elba what it is in all sports.

**I was also extremely proud of the Marching Tiger Band**, which braved a three-hour ride on a school bus just to get to the game, played music and cheered almost non-stop in the bleachers and put on a fantastic halftime show while performing in the hardest rain of the night. The band members take pride in everything they do, and it is easy to see they take pride in being from Elba.

\*\*\* **The Brantley Bulldogs picked up the pace** late in the first half and then pulled away in an impressive 49-21 playoff win over Notasulga. The Bulldog offense again lit up the scoreboard in the second round win, and the defense came up with two big turnovers that helped turn the tide. The Bulldogs have improved almost weekly the entire season and it looks like are peaking at just the right time.

\*\*\* **The second round of the state football playoffs** is now in the books and it was another wild week as 11 of the 17 undefeated teams moved on, and all seven defending champs lived to play another day. In Class 1A, all eight #1 seeds advanced into the final eight, while in Class 6A, two #4 seeds again won and will meet in third round action when (7-4) Spanish Fort hosts (5-7) Park Crossing. Some of the games that got my attention included (7A) top-ranked McGill-Toolen falling to Auburn 26-0, (6A) Eufaula losing in overtime to Hueytown 56-49, (5A) undefeated Faith falling to Pleasant Grove 33-14, (4A) Andalusia pounding Lincoln 40-10 and Hillcrest falling to American Christian 21-0, (3A) Providence Christian falling to Gordo 18-7 and #4 seed T.R. Miller advancing with a 21-14 win over Montgomery Academy, (2A) Arton rolling over LaFayette 30-12 and G.W. Long shocking unbeaten Luverne 28-13, (1A) and, Sweet Water outscoring Maplesville 34-21.

\*\*\* **The high school basketball season has tipped off** and some of the things I will be watching is whether or not the Elba Tigers can continue to dominate locally, how ex-Elba coach Karl Bledsoe does in his return with the Kinston Bulldogs, and how New Brockton rebounds after posting its first winless season in the rich history of Gamecock basketball. It looks like an exciting season ahead for the players and fans.

\*\*\* **Ye Ole Polish Prognosticator** dropped by and promised to keep making his playoff picks until the end of the season, despite the fact the Elba Tigers are no longer in the hunt. The resident guesstert hit on 23 of his 28 picks last week to move his season totals to 310-74, and left this week's fearless forecast. Here goes....

**BRANTLEY VS. SWEET WATER**

The bulldogs from up across the river will make the long hike over to a dog pound near the state line and need to carry their own water for nourishment, since the water at the pound may not be quite so sweet. If the 'Dogs play their best for all four quarters an upset could be in the making, but the guess here is that they will find the competition a little too tough.

The Elba Lady Tigers will tip-off their basketball season next week at the Straughn Thanksgiving Tournament, at Straughn High School.

The seven-team tournament will be held on Monday, Nov. 25 and Tuesday, Nov. 26, at the Straughn High gym and the Straughn Middle School gym.

"We have had a couple of good weeks of practice," stated Elba coach Shaun Hammonds, "and we are looking forward to the tournament. We placed second in the tournament last year and this season will be going over there to bring home the big trophy. We lost our leading scorer from a year ago, but have five girls back that all started at one time during the season and enter the season with big expectations. We are going to do what we do, which is play aggressive on defense and run on offense, and we are going to make our opponents adjust to our style of play. I know we won't be in mid-season form next week at the tournament, but we want to come out fast and our goal is to win every game we play."

Elba Tiger Collin Harrison (1) races up the sidelines on a 100-yard interception return for a touchdown in last week's 44-6 playoff loss to Lanett. Closing in to make a key block is Tiger teammate Chrystyle Caldwell (44). The Tigers ended the season with an 8-4 record.

## Tigers caged 44-6

The Elba Tigers saw their drive toward a state title bog down on a rainy night in East Alabama last Friday night as they lost to the Lanett Panthers 44-6, in the second round of the 1A state football playoffs.

The Tigers, which ended the season with an 8-4 record, turned the ball over on fumbles on six straight offensive series and watched as the Panthers turned four of the fumbles into touchdowns to claim the lopsided win.

Elba got the first break of the game when the Tigers Chrystyle Caldwell recovered a Lanett fumble on its first play from scrimmage at the Panthers 22-yardline. Three penalty flags backed the Tigers up a total of 15 yards; however, and on fourth down Lanett got the ball back at the 31-yardline.

Lanett held on to the ball on its second series and went 69 yards in seven plays to grab the lead. A 52-yard run by Que Houston was a key play in the long scoring drive, while the score came on a 1-yard run up the middle by Kristian Story. Rutilio Olea kicked the extra point, and with 1:29 left in the opening quarter Lanett was on top 7-0.

Elba's next six possessions all ended in fumbles and the Panthers took advantage of the turnovers to take command.

The first fumble came at the Lanett 21-yardline after a 22-yard run by Iverson Lane, and the Panthers needed only three plays to cover the distance as they reached the endzone on a 63-yard dash by Story. Olea added the extra point to push the Panthers lead to 14-0 with 11:40 left in the second quarter.

The second fumble came at the Elba 21-yardline, and four plays later Story connected with Travaunta Abner from nine yards out for a Panther touchdown. Story ran in the two-point conversion, and with 7:55 remaining in the quarter Lanett's lead was up to 22-0.

The third fumble came at the Elba 29-yardline, and this time the Panthers cashed in the turnover instantly as BJ Smith scooped up the loose ball and rambled 29 yards for a touchdown. Olea's extra point try was true, and with 7:55 remaining in the quarter the Lanett lead was up to 29-0.

The fourth fumble came at the Elba 37-yardline, and the Panthers quickly reached a first down and goal at the Elba 9. It was the Tigers turn to benefit from a turnover; however, as on fourth down Elba's Collin Harrison stepped in front of a Lanett receiver in the endzone for an interception and raced 100 yards down the sidelines to put the Tigers on the scoreboard. The extra-point try failed, but with 2:34 left in the quarter the Tigers had cut the lead to 29-6.

Elba threatened late in the quarter and reached the Lanett 34-yardline, but fumbled the ball away for the fifth time in the half, and at halftime the Tigers still trailed 29-6.

Lanett received the second half kickoff and promptly marched 61 yards in six running plays to extend its lead. Story capped the drive with a 2-yard scoring run, and while the extra-point try failed, the Panthers lead was up to 35-6 with 9:11 left in the third quarter.

Elba handed the ball right back to Lanett with its sixth fumble at the Elba 24-yardline, and two plays later the Panthers were right back in the endzone after a 22-yard dash by Kristian Story. The extra-point try was blocked, but with 7:28 left in the quarter the Panthers were in command with a 41-6 lead.

Lanett added a 27-yard field goal by Rutilio Olea with 8:29 remaining in the fourth quarter to up the Panthers lead to 44-6, and while the Tigers did get a late spark from the legs of JT Coleman, Elba never reached the endzone, and at the final horn the Tigers season ended with the 44-6 road loss.

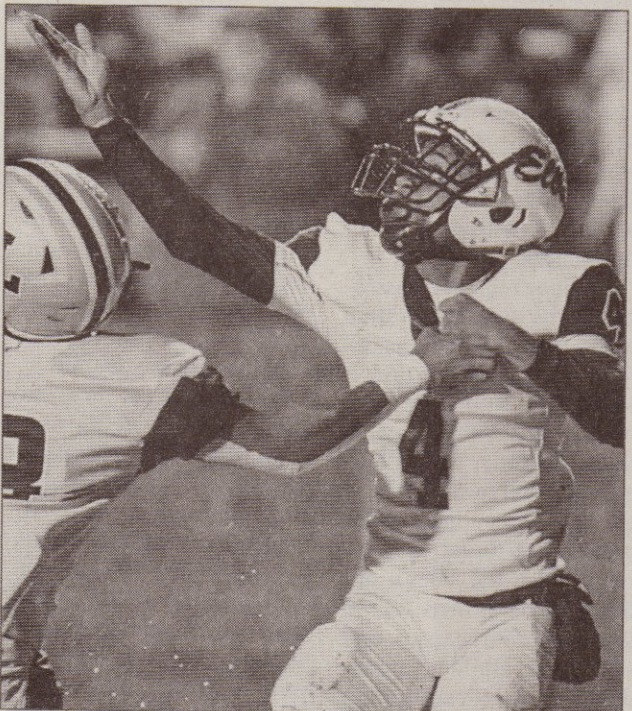

JT Coleman rushed for 32 yards on six carries and Jaquez Prince added 13 yards on six carries to lead Elba, while Kristian Story rushed for 111 yards and 4 touchdowns on nine carries and completed 6 of 11 passes for 56 yards and one td to lead Lanett.

The Brantley Bulldogs continued to pile up the wins on their trek toward a state title Friday night with a solid 49-21 playoff win over the Notasulga Blue Devils, at David Lowery Stadium, in Brantley.

Notasulga began its first offensive series at its own 20-yardline following a Brantley punt and marched 80 yards in nine plays to grab an early lead. A 29-yard run by Walter Tatum was a key play in the long scoring drive, while Daryl Brown rushed for 46 yards on six carries and scored the touchdown on a 3-yard run. Justin Huerta added the extra point, and with 5:50 left in the first quarter the Blue Devils were on top 7-0.

Brantley began its ensuing possession at its own 31-yardline and the Bulldogs went 69 yards in only four plays to get on the scoreboard. The score came on a 53-yard touchdown toss from Tucker Kilcrease to Messiah Burnett, and while the extra point try failed, the Bulldogs were within 7-6 with 4:33 left in the quarter.

Brantley regained possession at its own 26-yardline late in the quarter after a defensive stop and this time it took the Bulldogs nine plays to cover the 74 yards to the endzone. Tucker Kilcrease failed to find his target on three incomplete passes, but found room to run against the 'Devil defense as he rushed for 38 yards on four carries and scored the Bulldog touchdown on a 16-yard gallop on the final play of the first quarter. Kilcrease passed to Kenuwyn Dixon for the two-point conversion as Brantley carried a 14-7 lead into the second quarter.

**Brantley Bulldog Tucker Kilcrease (12)** runs for big gain in last week's 49-21 playoff win that upped the Bulldogs record to 11-1.

Notasulga began a possession at the Brantley 37-yardline early in the second quarter after a Bulldog punt and took advantage of the short field to pull even on the scoreboard. The Blue Devil score came on a 20-yard dash by Daryl Brown, and Huerta added the extra point as Notasulga caught Brantley at 14-14 with 7:43 remaining in the quarter.

Brantley began its ensuing possession at its own 33-yardline and the Bulldogs went 77 yards in nine plays to regain the lead. Tucker Kilcrease completed five passes for 62 yards to lead the 'Dogs down the field, and connected with Messiah Burnett from 9 yards out for the touchdown. The extra point try failed, but with 4:23 left in the quarter Brantley was back on top 20-14.

Notasulga put the ball in play at its own 38-yardline late in the half after a Brant-

ley punt and went to the air in an attempt to catch the Bulldogs, but the 'Dog defense had other ideas and put up the final points of the half when Kedrick Brown picked off a 'Devil pass and returned the interception 35 yards for a touchdown with only 43-seconds left on the clock. Daquan Pittman ran in the two-point conversion as Brantley carried a 28-14 lead in at the half.

The Blue Devils received the second half kickoff and after a 32-yard kickoff return by Daryl Brown, went 43 yards in four plays to get back into the endzone. Tatum scored the touchdown on a 4-yard run, and Huerta again added the extra point as Notasulga pulled within 28-21 with 10:54 left in the quarter.

Brantley was forced to punt on its ensuing offensive series, but regained possession at its own 25-yardline following a Blue

Devil punt and this time struck quickly as the Bulldogs went 75 yards in four plays to extend their lead. Tucker Kilcrease complete four straight passes for 75 yards on the scoring drive, with the score coming on a 30-yard touchdown toss from Kilcrease to Daquan Pittman. Adam Carlisle kicked the extra point as the 'Dogs lead grew to 35-21 with 4:09 remaining in the quarter.

Brantley regained possession at its own 16-yardline following a pass interception by Carson Jones, and after a penalty against the Bulldogs backed the line of scrimmage to the Brantley 3, the Bulldogs went 97 yards in seven plays to get back into the endzone. A 30-yard pass from Kilcrease to Messiah Burnett and a 22-yard run by Daquan Pittman were key plays in the long scoring drive, while the Bulldog touchdown came on a 5-yard run by Pittman. Carlisle added the extra point to push Brantley's lead to 42-21 with 11:56 remaining in the fourth quarter.

Brantley began its next possession at its own 38-yardline following a Blue Devil punt, and the Bulldogs promptly went 62 yards in four plays to put their final points of the night on the scoreboard. The score came on a 30-yard run by Daquan Pittman, and Carlisle added the extra point as Brantley sealed the 49-21 playoff win with 6:44 still left on the clock.

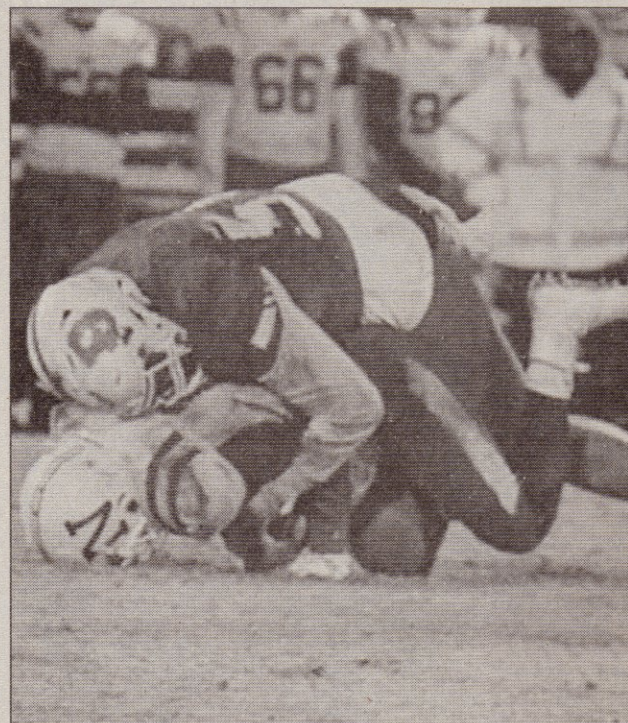

Tucker Kilcrease rushed for 49 yards and one touchdown on nine carries and completed 16 of 23 passes for 265 yards and 3 td's to lead Brantley, while Daquan Pittman rushed for 122 yards and two td's on 11 carries and caught 2 passes for 46 yards and one td, and Messiah Burnett caught 5 passes for 90 yards and two td's.
